SPECIAL INFORMATION FOR CO-OWNERS

If according to the records of the Association, more than one person (other than the owner's spouse) has ownership rights in a lot, the lot is considered to be co-owned. Article IV, Sections 1 through 10, covers membership entitlement. The current By-Laws were approved by an overwhelming vote of the membership on December 29, 1979, and subsequently amended in part in December 1999. For every lot, there is one and only one owner who is recognized as the "voting member." It is only this person whose name will appear on the POA's mailing list. Written notification to the POA with signatures of all owners is required before voting rights can be transferred to another co-owner. Spouses and legal dependents are considered Associate Members. The Board of Directors, at its March 1980 meeting, approved the initiation of a special fee permitting dependents of co-owned lots access to membership. For a fee equal to 1/5 of the current year's annual dues rate, per person, membership rights may be purchased for legal dependants of co-owners, renewable each year (1/5 of the current year's annual dues rate). Once covered, these new associate members would receive current year membership amenity badges. These fees are payable at the Registration office. Six guest passes per lot are issued at no charge. The distribution of these badges among the co-owners is the responsibility of the co-owners. Additional badges are available for an additional fee. These badges can be renewed every year for the additional fee. Bumper stickers will be issued on presentation of the vehicle's state registration card to any vehicle registered to the household of each co-owner.

CYCLING SAFETY RULES

Remember - traffic laws apply to bike riders, too! When riding along a street or highway, you should follow these rules:

- 1) Ride on the right side of the roadway, with traffic.
 - 2) Ride single file, never side by side.
 - 3) Whenever possible, give a hand signal to let other riders or drivers know that you intend to turn or stop.
 - 4) Obey yield or stop signs.
 - 5) Keep hands on the handlebars at all times - riding "no hands" is dangerous and unlawful.
 - 6) Never carry another person on your bike unless it is a bicycle built for two.
 - 7) Never hitch rides by holding onto cars or other vehicles.
 - 8) Be sure to lock bikes at all times when unattended at Hideout facilities or programs.
 - 9) Safety helmets are currently required for bicyclists age 12 and under, by law, in Pennsylvania. They are required by the Hideout for all bicyclists.
- Bicycles are to be equipped with a headlight and red rear reflector for night riding on the roads or common areas. Helmets are required for all operators and passengers.

DOGS AND PETS

All dogs, three months or older, in Pennsylvania must be licensed no later than January 1 of each year. Hideout Rules and Regulations and Pennsylvania State Laws require that all pets must be under the control of their owners at all times. Under no circumstances are pets permitted to run at large. In addition, it is recommended that barking dogs be kept inside at all times. Pets are not permitted at any of the Hideout facilities. Please be considerate of your neighbors and fellow members.

Pets will not be allowed to enter any facility controlled or owned by the association. (Exception: guide dogs). Pets must be licensed, inoculated, leashed and kept under owner's control at all times. It is the responsibility of the owner of the pet to clean up and remove animal excrement of their pet.

There is a Dog Park located by the Campgrounds. Dogs must be registered for the Dog Park through the Registration Department.

DOOR TO DOOR SOLICITATIONS

Door to door solicitations of any kind are not permitted in The Hideout. If you receive any type of door-to-door solicitation, please call the Administration Office (570) 698-4100, ext. 100 or the Security Department (570) 698-4100, ext. 130 immediately so that prompt action can be taken.

EMERGENCY MANAGEMENT PLAN

The Hideout has an Emergency Management Plan in place to address potential disasters that would have an unusual impact on Hideout residents and/or facilities. In the event that members have to be relocated from the Hideout you should be aware of the various emergency exits within the community. In the North Section the emergency exit is identified as the Hidden Lake Fire Gate. In the South Section there are two emergency exits: The Crestview Fire Gate and the Deerfield Fire Gate.

FACILITY LIMITATIONS

Association amenities, facilities and common areas are closed at 11 p.m. or in accordance with posted hours. The association management may close certain common areas from use for any reason whatever, including but not limited to, safety, maintenance, ecology, aesthetics or community harmony.

FIRE AND RESCUE

The Lake Ariel Fire and Rescue, Hamlin Fire and Rescue, Ledgesdale Fire and Rescue, Lakeville Fire and Rescue and Jefferson Volunteer Ambulance serve The Hideout. They respond to all types of emergencies in the area and the ambulance services transport injured and ill people to area hospitals. The rescue companies are not supported financially through Hideout membership dues. Annual contributions by every property owner are critical to the survival of these services and are tax deductible. For emergencies, fire or medical, call 911.

FIREWORKS

Due to the danger involved, any and all types of fireworks have been banned from The Hideout unless duly sanctioned by The Hideout POA. In addition, the possession of most fireworks in the Commonwealth of Pennsylvania is illegal and violators are subject to penalties. Firework enforcement is controlled by the State Fire Marshall. There are normally several large approved fireworks displays in the area each year. Watch the *Hideabout Extra* for details.

Physical access to Roamingwood Lake, Brooks Lake and Deerfield Lake, as well as use of the shoreline areas on all lakes, is limited to the membership access areas provided.

MEMBERSHIP/ID BADGES

Current badges are required to use all Hideout facilities. Any outstanding assessments, citations and dues must be paid before badges can be issued. Property owners maintain

the ultimate responsibility for rules compliance on the part of their guests and/or invitees. Everyone's cooperation is essential to curtail unauthorized use of facilities.

RECYCLING

The disposal of trash, including recyclables, anywhere in The Hideout other than association maintained dumpsters or compactors provided for this purpose is prohibited and will be considered littering. Littering is prohibited in The Hideout and is subject to a fine of \$200.00. All members are required to participate in our recycling effort. Only household refuse may be discarded in containers provided at the dumpster/recycling center. No building material may be discarded in Association refuse containers.

WHAT TO RECYCLE

Glass Bottles Empty and rinse. Discard caps and tops. Labels can stay on. Separate by color - clear, brown & green. **DO NOT BREAK GLASS.**

NO windows, mirrors, light bulbs, white glass, dishes, drinking glasses, Pyrex, heat tempered glass or ceramics.

Metal Cans All food and beverage cans (aluminum & steel). Empty and rinse. Crush and flatten cans. NO pie plates, foil, paint cans, aerosol cans, pots and pans, fuel tanks, coat hangers or other metal items. Check our phone book for scrap metal dealers to handle these other items.

Plastic Bottles Milk, soda, detergent, shampoo bottles and jars with "screw on type tops." The triangle on the bottom must have a #1 or #2; these are the only numbers accepted in Wayne County. Please rinse and crush all plastic to conserve container space.

Newspapers Includes clean newspapers and newspaper inserts. Keep dry, clean and out of sunlight. Place in neat stacks and tie with heavy string or twine or place in brown Kraft paper bags. NO phone books, bags, junk mail, cardboard or magazines.

Magazines Includes catalogs, magazines and junk mail. Tie with heavy string or twine separately from newspaper or place in brown Kraft paper bags. NO phone books, cardboard, newspapers, hard or paperback books.

Cardboard The Hideout Recycling Center will accept corrugated box-type cardboard. Flatten and bundle all cardboard. NO waxed, plastic coated cardboard or similar material, such as cereal boxes.

PLEASE take special note that just because an item is marked "recyclable" or has the recycling triangle, it is not necessarily recyclable in Wayne County. They are very selective about the items that they accept.

NOTE that it is considered "littering" if you leave your recyclables at the Center when it is closed. Fees for Non-Household Bulk Items may be obtained by contacting the Maintenance Supervisor at (570) 698-4100, ext. 133.

RESIDENTIAL RENTAL INFORMATION

The Hideout has a thriving rental market, both annually and seasonally. All homeowners wishing to rent their property must use the "Hideout Rental Notification" form. Property Owners and/or their agents can pick up a copy of the Rental Notification Form, rental policies and rental registration fee structure at The Hideout POA Office located on Antler Road.

REQUIRED IRS DISCLOSURE

As a (Income) Tax-Exempt Club, The Hideout is required by the Internal Revenue Service to make the following disclosure regarding the deductibility of payments to The Hideout. Membership Dues, Amenity Usage Fees, Application fees and Clubhouse charges are not deductible as charitable contributions for Federal Income Tax purposes. However, such payments may be deductible as ordinary or necessary business expenses depending on the use of your Hideout property. It is recommended that each member consult with his or her tax professional for specific guidelines concerning his or her particular tax situation.

ROAMINGWOOD SEWER AND WATER ASSOCIATION

RS&W has easements on all properties in The Hideout. These easements are necessary for RS&W to perform work needed to maintain the water and sewer systems.

RS&W easements on each property are: 10 feet in from your property line along the road; 5 feet in from the property line along the sides and back. If either side or the rear is bordered by a road, then the easement is 10 feet from the surveyed line. NOTE: This 10 foot area starts at the property line - NOT at the edge of the road. During work on water and sewer lines in easement areas, RS&W has found that some property owners have planted flowers, trees and shrubs in the easement areas - some have been directly over pipelines. Be aware that should it become necessary for RS&W to work in the easement area, the property owner may be called upon to immediately remove such landscaping. In an emergency situation, RS&W may, at its discretion, remove any and all such items located in the easement area. Under no circumstances will RS&W be liable for replacement or damage caused to anything located within the easement. Questions? Call RS&W at (570) 698-6162.

SNOWMOBILES

Snowmobiles are banned from all Hideout Property and Common Areas.

SPEED LIMITS

Motor vehicles share the roads in The Hideout with a large number of bicycles and pedestrians. Thus the maximum reasonable speed on any road in The Hideout is twenty-five (25) miles per hour unless otherwise posted. The maximum speed limit in an amenity area (parking lots, etc.) is ten (10) miles per hour. Hideout Security monitors the posted speed limit in The Hideout with the use of radar.

The areas in front of all amenities have been identified as Safety Zones. Speeding citations issued within the zones will result in the doubling of the fine assessed with no reduction for early payment.

UNLICENSED VEHICLES AND DRIVERS

All vehicles operated on the roadways and common areas in The Hideout must be properly licensed, inspected and insured, and must be operated by a licensed driver.

WALKING TRAIL

A Walking Trail is located in the North Section of The Hideout. It starts at the rear of the Clubhouse Parking Lot and winds its way through a portion of the North Section. A trail

map is available from the Recreation Office. Curving roads, blind spots and occasional drivers exceeding safe speeds do not necessarily mix very well with runners and walkers. When walking on the roadways of The Hideout, members and guests are reminded that they are to walk FACING traffic.

WILDLIFE IN THE HIDEOUT

While the ducks and geese on the various lakes in The Hideout may add a great deal to the beauty and serenity of the community, they also pose a threat to the health and welfare of all members. The droppings from the ducks and geese have the ability to contaminate (and thus require closing the beaches, etc.,) in a very short period of time. These droppings can also cause a number of highly infectious illnesses due to their high fecal (bacteria) count. The Hideout needs your help in controlling the duck and geese population. Please do not feed them under any circumstances. **The PA Game Commission and The Hideout POA recommends that residents please not feed the deer, bear or turkeys.**
